**President:** The 50/50 Raffle money totaled \$ 46.50. Bought pizza for the club and spent \$ 41.75. Total  
 balance in pizza fund is \$ 4.75.  
 There are hot dogs and hamburgers remaining from the swap shop. Asked the club whether they  
 prefer to use for club picnic or to sell at fly-in and consensus was that we use them at fly-in to  
 generate some revenue.  
 Joe spoke with Jon Soda; he is doing well and looking forward to getting home and flying.  
 We received a thank you card from the family of Joe Costanzo and a booklet on the library fund.

**Vice President:** Nothing.

**Secretary:** Will be working on the new website last couple weeks in July. For the Youngstown Air Show,  
 Trumbull Co. Fair Board President advised that the air show has rented the entire fairgrounds,  
 including the parking adjacent to your field, so there will be no flying on August 8<sup>th</sup> and 9<sup>th</sup>.

**Treasurer:** Please contact treasurer for current balances

**Field Marshall:** Nothing.

**Safety:** Nothing

**Librarian:** Nothing. Videos and DVD's are here this week.

**Unfinished Business** Joe has not yet had a chance to purchase the plaque honoring past members who are deceased.

Fun Fly – Nick Costantino and Chuck Sexton will do the cooking and handle the food concession. 72 MHz radios will be impounded for the fly-in. Mario suggested that we do a 15 minute foamie combat. He has plans for a profile foamie if anyone is interested in building one for combat. These planes use 2 servos and elevons.

Someone will need to put up the flags around the flying field for August 8<sup>th</sup> and 9<sup>th</sup>. This will keep people from parking on the field.

**New Business** Dave Rock suggested that we organize an electric fly-in next year; make it AMA Sanctioned.

Question was posed to the club: do we want to continue to co-host the jet rally with the Nighthawks next year? We need to be thinking about this. Do we work with Nighthawks, form our own jet rally, or have an all electric fly-in? Members, please voice your opinions so that we know what the membership wants to do.

Just a reminder; at the September meeting, nominations will be taken for 2010 officers. Start thinking about who you want to have as officers. Voting will take place at the October meeting.

Youngstown Air Show – tickets were sold out within 24 hours. They have announced that on July 27<sup>th</sup>, more tickets will be released. \*\*\*Note after meeting: Lori heard on the news on July 14<sup>th</sup> that shuttle service will now be free as they have gotten sponsorship to pay for this.

**Show & Tell** Jack Walters brought a Sig Kadet LT40 that is for sale. This plane is an ARF, new in 2007. JR6102 6 channel computer radio, Channel 54. OS FS-52-S.
