REPORTS:

President: Minutes from May's meeting stand approved. Our Fun Fly will be held Sunday, July 26th, with Joe Lewis serving as CD. We will be raffling off a Yak ARF at the July Fun Fly, so we will need to make and sell tickets. Cost will be \$1 each or 6 for \$5. Lori will print tickets and mail out with newsletter, meaning everyone will be getting a mailed newsletter this month. Additional tickets will be left at the field clubhouse if anyone needs them.

After discussion, Keith Anderson made a motion that in an effort to make more money for the Pizza Fund with 50/50 tickets, the cost will now be \$1 each or 7 for \$5, and Doug Hannas seconded; motion passed.

The informal picnic the Saturday after May's meeting was very nice. We had burgers and dogs and side dishes. Club now has a grill donated by Ray Park. To use it, simply bring your own propane bottle. We will skip the informal picnic on Saturday the 13th because there are quite a few events happening. Perhaps we'll try again in July.

Vice President: Nothing.

Secretary: Lori is going to take over the website, using Yahoo Groups like the Centaurs and Nighthawks. Tom Chill has offered to provide some technical help as well. Current cost for website is \$72 per year. The cost from Yahoo will be approximately \$150 per year. We need approval from the club to make the expenditure. Rocky made a motion to pay the money for new website and Ray seconded; motion passed. Joe has already discussed this with Emil and Lori will work with him to make a

smooth transition.

The Youngstown Air Show on August 8th and 9th will be parking cars at the fairgrounds and busing people to the air base. Lori will check with Rich Roscoe to see if they will be parking on our side of the street. If so, there will be no flying. We will report at next meeting.

I've received several requests from members that now since we're distributing roster information to club members, please respect their privacy and do not give out information without first asking. Thanks for your cooperation.

Lori brought a stack of books with Trumbull County Fair activities and schedule. They are in the clubhouse. Feel free to take one.

Treasurer: Please contact treasurer for current balances

Bill added that this is the lowest that the treasury has ever gotten. Our yearly budget is around \$3000, so we need to keep this in mind as we spend money. We did have some extra work done this year, but we need to be cognizant of our balance. Fun Fly will bring in money as well. We may consider raising dues, but we should wait until after summer to see our balance.

Laminated name tags have been distributed; you can get a clip for it at the clubhouse if you need it.

Field Marshall: Doug has been checking the field and has noticed that most every time he comes by, the gate is closed. Thanks to everyone for helping out in keeping gate closed.

Safety: Nothing

Librarian For members who may not know, the club has a selection of videos and DVD's that can be borrowed by club members.

Unfinished Business Cost for plaque to honor deceased members will cost around \$27. Ray made a motion to get the plaque and Rocky seconded; motion passed.

For the Fun Fly, Nick Costantino will be cooking and taking care of the food with help from his wife, Dawn. Any other volunteers would be most appreciated. Joe said that 2.4 Ghz Spektrum radios will not be impounded but that if there are any cross over on frequency for 72 Mhz, then all 72 will be impounded.

Jet Rally with the Nighthawks will be held August 22nd and 23rd. Tickets will be sold to raffle a 9303 2.4 Ghz radio. We will split the cost with the Nighthawks. Greg Alderman offered to get the radio at cost (\$500) through his company, Outage RC.

New Business

Show & Tell None

50 / 50 Raffle \$ 30.50 won by Keith Anderson. We have enough money for pizza for the July meeting.

NEXT MEETING WILL BE AT FLYING FIELD ON WEDNESDAY, JULY 8, 2009.
