REPORTS:

President: Sample logo from the embroidery shop is here for approval. This logo will be on the back of jackets. Club approved the logo. On left front of jacket will be FAA name and on right will be pilot's name. Anyone wishing to order a jacket contact Joe Lewis.

Vice President: Nothing.

Secretary: I continue to make updates to the roster. Current copies will be made available at the club field or by email on request.

By-laws have been re-typed and will be emailed with newsletter. Joe Lewis will contact Kinko's for price to print booklets. Prior books were quarter page size, but suggestion was made to get half page size (5 1/2 X 8"). Joe will get pricing from Kinko's and let us know. Also, discussion on how many to print. Secretary suggested checking price breaks before ordering.

Treasurer: Please contact treasurer for current balances

Field Marshall: Discussion on having a Clean-up Day at the field some Saturday after Easter (April 12th). Doug suggested that the club purchase a \$50 gift certificate and give each participant on who helps a ticket and raffle off the gift certificate. Keith Anderson made a motion; Emil seconded the motion and motion passed. Clean-up will include cleaning the rafters and staining. Suggestion was made for a small dumpster, but that can be quite pricey, so perhaps garbage can be taken home by members for

disposal. Joe Lewis will bring leftover burgers and hot dogs for the club to share on that day.

Safety: Mario will resupply the first aid kit at the field.

Unfinished Business Club Driveway – Joe Lewis spoke with company regarding slag or limestone and was informed that limestone is too expensive. They normally use #57 stone. The estimate received is \$ 1,295 for 63 yards of stone, 3” deep @ \$17 per ton. Suggestion was made to slag some east side of the bleachers, but that would require building a base. Doug Hannas made a motion to pay for the slag; Joe Ramps seconded the motion and motion passed. Joe Lewis will contact Bill Stavana to do the grading work required before the slag is applied.

Rick Seidle submitted a bid of \$1,500 for the club field mowing. No other bids received. Emil Santo made a motion to accept the bid and Dale Hatch seconded the motion and motion passed.

Ray Reghetti wanted to make mention that one of our club members; Jon Soda has joined the Air Force and left for duty this month. We want to recognize Jonny for his participation with the club over the years. He has helped/trained many a pilot for this club; has assisted many in working on their planes, and never hesitates to run home and get parts/tools for those who need it. He has served as Safety Officer for our club as well. We want to extend our best wishes to Jon in his future endeavors.

The club would like to extend get well wishes to Rocky Flaviano, who has been dealing with some health issues. We all wish Rocky a speedy, successful recovery, and hope to see you back at the field soon!

New Business Joe Lewis made suggestion that for the May meeting at the club field, we have a picnic from 4 – 5 p.m. for anyone who would like to participate. Everyone would bring covered dish of some kind. Suggestion was also made that every Saturday of the meeting week; the club has a non-sanctioned fly-in. This can be discussed at April’s meeting.

Mike Trunick brought up the subject of budget. Has the club ever considered creating a yearly budget? No further discussion.

Indoor flying at Farmer Jim’s is done. There will be no more indoor flying for this winter season.

Show & Tell Lori Hineman brought a foamie that she is building. It’s an electric Hawker Hurricane built with fan fold foam. Plane is a low-wing 1/10th scale that was spray-painted OD Green. She still needs to install the electronics and a few touch-ups on the body.

50 / 50 Raffle No raffle this week.

Closed Motion to adjourn meeting made by Keith Anderson and seconded by Keith Lehto. Meeting adjourned at 7:20 p.m.

NEXT MEETING WILL BE AT FIRST PLACE BANK ON WED., APRIL 8th

We encourage members to bring in projects they are currently working on, and we all enjoy looking at the progress. It’s a good opportunity to help others or to get help if needed.
